Please consider the following points in your communication:

- Any communication should be respectful in nature and tone.
- As a Catholic, I am writing personally to protest and express my disappointment with the decision to name Henry Morgentaler to the Order of Canada.

- The Order of Canada, one of our nation's highest honours, is meant to recognize those who have "enriched the lives of others." Its motto is "They desire a better country." Honouring Henry Morgentaler, who has devoted his life to the destruction of the defenseless, devalues this award and our country.
- Ask that the decision to award the Order of Canada to Dr. Morgentaler be reversed.

As Catholics we are also called to care for and support pregnant women in crisis or those looking for post-abortion healing. Here are some resources:
