e. **Quilts for Jessie's House** - Mariette reminded those present that, of the \$2600 raised from our recent bake sale, \$2000 was presented to the local Quilters' Guild to create quilts for Jessie's House, our chosen recipient. She directed attention to the 25 quilts displayed at the front of the hall and noted that the group at the Guild has added \$1000 to the project and continue to make more quilts for us. It was agreed that a further \$500.00 be given for thread to Karen Jessiman, a member of our church, who will do the long-arm quilting. The last monies raised will be used to buy other items needed for Jessie's House.

Our members will do the binding during a quilters' bee to be held at the Church hall in the fall. We hope to present the quilts in December when our ladies, a representative from Jessie's House and a representative from the Reporter will be present to take pictures for our local newspaper.
